#### How does this affect me?

Today's web user expects a fast and seamless website experience. Delivering that fast experience can result in increased visits, conversions and overall happiness.

As if you didn't need more incentive, Google has announced that they are using page speed in their ranking algorithm.

### **About GTmetrix**

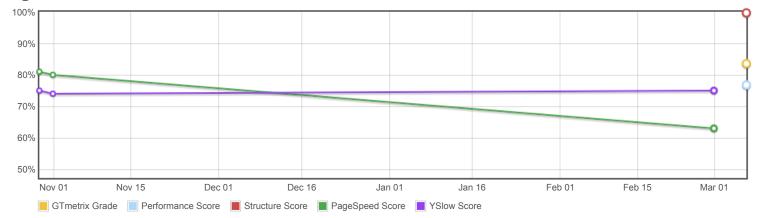

GTmetrix is developed by the good folks at Carbon60, a Canadian hosting company with over 25 years experience in web technology.
